*Get involved, do not be a spectator !*

*This past weekend we had a chance to jump start a new outreach with HS kids*

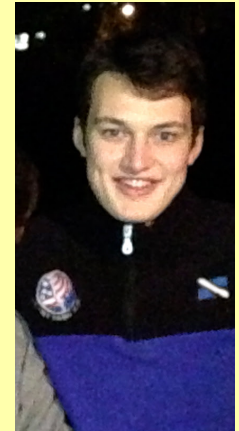

*from the 3 most renown schools in Chattanooga. It was a time for games, Italian dinner and sharing of the hearts. These kids (most non believers) are athletes from the crew, swimming and basketball teams. Though we are in the*

*Bible belt we see unmet needs all around us and the interaction with these "new friends" is precious. Peppo was invited to speak at the Fellowship for Christian Athletes at one of these schools and then at a youth club meeting at church where 30% of the attendees (a group of 100 kids) were there for the first time brought by their friends...the word is out...the Italians have landed!*

## **AMEDEO**

*is a warm, polite, well mannered student from the Italian part of Switzerland and a Senior at the local Baylor HS. He was one of the 14 athletes we had for dinner. After dinner Peppo had a chance to talk one on one about workloads and pressures. He has a **98% avg** in all of his **5 AP courses** and has applied to Harvard, MIT, Stanford and 2 European universities. His father was a European champion in Judo and Amedeo may have a chance at the NBA!*

*Yet, the weight of the responsibilities and the inner pressures he is putting upon himself are starting to crush him...**he is not a believer.** When Peppo spoke to him about the love of our Creator and the possibility of having a personal relationship with Him, his eyes widened. He is looking forwards to more talks with Amedeo, so keep this kid in your prayers. These are the caliber of leaders we find locally which we know, will make a difference in tomorrow's world.*

## **Your investment this year has:**

- produced a new Church in Manfredonia,
- is sustaining the work in Roma,
- is making new inroads in Chattanooga and
- has given us a chance to be together with Isabella once again.
- will help in the new campaign to University and HS students in N. Italy

*We do appreciate your commitment, sacrificial giving, and sensitivity towards our ministry in Italy and Chattanooga.*

**In His grip,** and forever grateful
